Sir:

This response is in reply to a restriction requirement set forth in the Office Action dated May 18, 2006, in the above-identified application, with a one month shortened statutory period, making a response due on or before June 18, 2006. This response is timely filed.

REMARKS

In the above-identified Office Action, the Examiner has issued a restriction requirement and requires election of one of the following species under 35 U.S.C. §121:

Species I: Figure 1; or

Species II: Figure 6.

The Office Action alleged that the species were independent or distinct because they are difference circuits with figure 6 using a signal invert. The Office Action also alleged that no claim was generic.
